PoloPlaz Endure is a unique waterborne finish designed for recoating wood floors in just a single coat. With 50% solids, it provides a beautiful, long-wearing surface and incredibly consistent sheen not typically seen in waterbornes. Endure is virtually odorless and has VOC content low enough to use anywhere on any job... including LEED projects. Your customer can resume use of their floor in as little as 24 hrs. Don't compromise your schedule. If you need it to last, make it Endure.
